RFP SUBMITTAL DEADLINE DATE & TIME: June 30, 2020 @ 4:00pm.

The CCSO is using a Request for Proposal for this project and will award a contract to the Proposer the CCSO finds, in its sole discretion, best meets the long term needs of the CCSO.

Specifications and RFP documents are available by downloading a bid package from www.claysheriff.com under the Do Business section of the Finance Department page or calling the Purchasing Section at (904) 529-6029.

All Proposers should ensure that the proposal is both complete and accurate. The CCSO may require additional information or data from any of the Proposers. An Evaluation Committee appointed by the CCSO will evaluate Proposals.

The Proposal Evaluation Committee selected by the CCSO will fairly consider all Proposals. The Proposal Evaluation Committee will perform a review of Proposals received from Proposers to determine completeness and responsiveness to the principal components of the technical, financial and legal requirements of the RFP. Request for clarification letters may include, but are not limited to, the following: commitment of project team members; performance guarantees and standards; project guarantor commitments; proposers interpretation of proposed CCSO organization and business entity relationships, operations, project schedules, phasing methods and payment schedules; and letters of credit, performance bonds and insurance requirements. The Proposal Evaluation Committee will make a recommendation to the Sheriff following the Proposal Evaluation Committee's review of all Proposals and consideration of any additional evidence or data desired by the Proposal Evaluation Committee.

Qualified companies are invited to deliver one clearly marked original and five (5) copies of their Proposal, in a sealed envelope marked “**Request for Proposal (RFP) #: B20-006, Project Name: CCSO On-Site Physician Services**” and delivered, to the CCSO Purchasing Section, 901 North Orange Avenue, Green Cove Springs, Florida 32043. All questions, comments, or concerns about this RFP must be submitted in writing to Rhonda Sanders, Purchasing Manager, Clay County Sheriff’s Office, 901 North Orange Avenue, Green Cove Springs, FL 32043. Rhonda Sanders is the only designated representative of the CCSO authorized to respond to comments, questions, and concerns. If the CCSO determines that a particular comment, question or concern necessitates a global response to all Proposers, the CCSO will issue a clarifying memorandum or addendum. The final day that the CCSO will accept questions will be five business days prior to the proposal submittal deadline date.

The CCSO reserves the right to accept or reject any and/or all Proposals, to waive irregularities and technicalities, and to request re-submission. Any sole response received by the submission date may or may not be rejected by the CCSO depending on available competition and timely needs of the CCSO.

The CCSO reserves the right to select a company with or without interviews, and may decide to select any of the companies submitting qualification packages. The CCSO reserves the right to award the contract to a responsible Proposer submitting a responsive Proposal, with a resulting negotiated agreement that is most advantageous and in the best interests of the CCSO.

The CCSO shall be the sole judge of the Proposal, and the resulting negotiated agreement that is in its best interest and its decision shall be final. 11. PUBLIC RECORDS/TABULATION

Proposals are not public records, subject to the provisions of Florida State Statutes, Chapters 119 and 120, until such time as notice of a decision or intended decision

is provided, or within ten (10) days after the solicitation opening, whichever is earlier. A copy of the tabulation results will be forwarded upon receipt of a stamped, self-addressed envelope. An electronic tabulation will be posted on the CCSO Website at www.claysheriff.com.

12. RESERVED RIGHTS

12.3 CCSO reserves the right to reject the Proposal of any Proposer if CCSO believes that it would not be in the best interest of the CCSO to make an award to that Proposer, whether because the Proposal is not responsive or the Proposer is unqualified or of doubtful financial ability or fails to meet any other pertinent standard or criteria established by CCSO.

23. SPECIFICATIONS

23.1 The apparent silence of the specification as to any detail, or the apparent omission from it of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practice is to prevail and that only

material and workmanship of the finest quality are to be used. All interpretations of the Specifications shall be made on the basis of this statement.

23.2 For the purpose of evaluation, the Proposer must indicate any variance or exceptions to the stated Specifications, no matter how slight. Deviations should be explained in detail. 1.07 – Amendments

If an amendment is issued, it will be provided to all who were mailed or received a copy of the RFP and to those who have registered with the Purchasing Manager as having downloaded the RFP from the CCSO web site.

1.08 – Alternate Proposals

Proposals may be delivered, which deviate from the requirements herein, providing they are clearly identified as alternate proposals and providing further that it can be demonstrated that stated requirements are substantially improved or are not compromised or prejudiced by such deviations; and, that it would be clearly in the interest of the CCSO that an alternate proposal be considered. Such alternate proposals will be provisionally accepted for consideration, subject to the reserved right of the CCSO to make the determination whether the above stated conditions for alternate proposals have been satisfied and subject further to the reserved right of the CCSO to accept or reject these proposals upon the basis of the determination.

1.09 – Right of Rejection

Proposers must comply with all of the terms of the RFP, the CCSO Purchasing Process, and all applicable local, state, and federal laws, codes, and regulations. The Purchasing Manager may reject any Proposal that does not comply with all of the material and substantial terms, conditions, and performance requirements of the RFP. Proposers may not qualify the Proposal nor restrict the rights of the CCSO. If a Proposer does so, the Purchasing Manager may determine the Proposal to be a non-responsive counter-offer and the Proposal may be rejected.

Proposals may be waived by the Purchasing Manager if they:

- do not affect responsiveness,
- are merely a matter of form or format,
- do not change the relative standing or otherwise prejudice other offers,
- do not change the meaning or scope of the RFP,
- are trivial, negligible, or immaterial in nature,
- do not reflect a material change in the work, or,
- do not constitute a substantial reservation against a requirement or provision.

The CCSO reserves the right to refrain from making an award if it determines that to be in its best interest.

A Proposal from a debarred or suspended Proposer shall be rejected.

1.10 – CCSO Not Responsible for Preparation Costs

The CCSO will not pay any cost associated with the preparation, submittal, presentation, or evaluation of any Proposal.

1.11 – Disclosure of Proposal Contents

All Proposals and other material submitted become the property of the CCSO and may be returned only at the CCSO's option. Chapter 119, Florida Statutes requires public records to be open to reasonable inspection. All Proposal information, including detailed price and cost information, will be open for public inspection immediately after opening by the CCSO.

Trade secrets and other proprietary data contained in Proposals may be held confidential until a Notice of Decision or Notice of Intended Decision is issued by the CCSO Purchasing Manager or 10 days after opening, whichever is earlier, as provided by Section 120.057(3) (a), Florida Statutes, if the Proposer requests, in writing, that the Purchasing Manager does so, and if the Purchasing Manager agrees, in writing, to do so. Material considered confidential by the Proposer must be clearly identified and the Proposer must include a brief statement that sets out the reasons for confidentiality. At that time, all Proposals and documents pertaining to the Proposals will be open to the public, except for material designated as proprietary or confidential as defined in Section 812.081, Florida Statutes and as provided in Section 815.04(3), Florida Statutes. The Purchasing Section will not disclose or make public any pages of a Proposal on which the Proposer has stamped or imprinted "proprietary" or "confidential" subject to the following requirements:

Proprietary or confidential data shall be readily separable from the Proposal in order to facilitate eventual public inspection of the non-confidential portion of the Proposal. Confidential data is normally restricted to confidential financial information concerning the Proposer's organization and data that qualifies as a trade secret in accordance with the definition in Section 812.081, Florida Statutes and as provided in Section 815.04(3), Florida Statutes. The price of products offered or the cost of services proposed shall not be designated as proprietary or confidential information.

1.12 – Subcontractors

Subcontractors may be used to perform work under this contract only as necessary. If a Proposer intends to use subcontractors, the Proposer must identify in the Proposal the names of the subcontractors and the portions of the work the subcontractors will perform.

If a Proposal with subcontractors is selected, the Proposer must provide the following information concerning each prospective subcontractor within five working days from the date of the CCSO's request:

- (a) Complete name of the subcontractor,
- (b) Complete address of the subcontractor,
- (c) Type of work the subcontractor will be performing,
- (d) Percentage of work the subcontractor will be providing,
- (e) Evidence, as set out in the relevant section of this RFP, that the subcontractor holds a valid business license, proof of required insurance and meets all other conditions set forth in this RFP to conduct business with the CCSO, and;
- (f) A written statement, signed by each proposed subcontractor, which clearly verifies that the subcontractor is committed to render the services required by the contract.

A Proposer's failure to provide this information, within the time set, may cause the CCSO to consider their Proposal non-responsive and reject it. The substitution of one subcontractor for another may be made only at the discretion and prior written approval of the CCSO.

1.13 – Joint Ventures

Joint ventures will not be allowed.

1.14 – Proposer's Certification

By signature on the Proposal, Proposers certify that they comply with:

- (a) The laws of the State of Florida,
- (b) The applicable portion of the Federal Civil Rights Act of 1964,
- (c) The Equal Employment Opportunity Act and the regulations issued thereunder by the federal government,
- (d) The Americans with Disabilities Act of 1990 and the regulations issued thereunder by the federal government,
- (e) Maintains a Drug Free Workplace
- (f) All terms and conditions set out in this RFP,
- (g) A condition that the Proposal submitted was independently arrived at, without collusion, under penalty of perjury, and
- (h) That the offers will remain open and valid for at least 90 days.

If any Proposer fails to comply with (a) through (g) of this paragraph, the CCSO reserves the right to disregard the Proposal, terminate the contract, or consider the contractor in default.

1.15 – Conflict of Interest

Each Proposal shall include a statement indicating whether or not the company or any individuals working on the contract has a possible conflict of interest (e.g., employed by the CCSO) and, if so, the nature of that conflict. The CCSO reserves the right to cancel the award if any interest disclosed from any source could either give the appearance of a conflict or cause speculation as to the objectivity of the program to be developed by the Proposer. The CCSO's determination regarding any questions of conflict of interest shall be final.

1.16 – Solicitation Advertising

Public notice has been provided in accordance with CCSO policy and applicable Florida Statutes.

1.17 – Assignment

The contractor may not transfer or assign any portion of the contract without prior written approval from the CCSO.

1.18 – Disputes

Any dispute arising out of this agreement will be resolved under the laws of the State of Florida. Any appeal of an administrative order or any original action to enforce any provision of this agreement or to obtain relief from or remedy in connection with this agreement may be brought only in the Circuit Court for Clay County, Florida.

1.19 – Severability

If any provision of the contract or agreement is declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected; and, the rights and obligations of the parties will be construed and enforced as if the contract did not contain the particular provision held to be invalid.

SECTION TWO STANDARD PROPOSAL INFORMATION

2.01 – Authorized Signature

All Proposals must be signed by an individual authorized to bind the Proposer to the provisions of the RFP. Proposals must remain open and valid for at least ninety (90) days from the opening date.

2.02 – Pre-Proposal Conference

A pre-proposal conference, if held, will be on the date shown on page 1, Calendar of Events at the CCSO main office at 901 North Orange Avenue in Green Cove Springs, Florida. The purpose of the conference is to discuss the work to be performed with the prospective Proposers and allow them to ask questions concerning the RFP. Questions and answers will be transcribed and sent to prospective Proposers as soon as possible after the meeting.

Proposers with a disability needing accommodation should contact the Purchasing Manager prior to the date set for the pre-proposal conference so that reasonable accommodation can be made.

2.03 – Amendments to Proposals

Amendments to or withdrawals of Proposals will only be allowed if acceptable requests are received prior to the deadline set for receipt of Proposals. No amendments or withdrawals will be accepted after the deadline unless they are in response to the CCSO's request.

2.04 – Supplemental Terms and Conditions

Proposals must comply with **Section 1.09 Right of Rejection**. However, if the CCSO fails to identify or detect supplemental terms or conditions conflicting with those contained in this RFP, or that diminish the CCSO's rights under any contract resulting from the RFP, the term(s) or condition(s) will be considered null and void. After award of contract:

- (a) if conflict arises between a supplemental term or condition included in the Proposal and a term or condition of the RFP, the term or condition of the RFP will prevail; and
- (b) if the CCSO's rights would be diminished as a result of application of a supplemental term or condition included in the Proposal, the supplemental term or condition will be considered null and void.

2.05 – Clarification of Proposals

In order to determine if a Proposal is reasonably susceptible for award, communications by the Purchasing Manager or the Proposal Evaluation Committee are permitted with a Proposer to clarify uncertainties or eliminate confusion concerning the contents of a Proposal. Clarifications may not result in a material or substantive change to the Proposal. The evaluation by the Purchasing Manager or the Proposal Evaluation Committee may be adjusted as a result of a clarification under this section.

2.06 – Discussions with Proposers

The CCSO may conduct discussions with Proposers. The purpose of these discussions will be to ensure full understanding of the requirements of the RFP and Proposal. Discussions will be limited to specific sections of the RFP or Proposal identified by the Purchasing Manager. The Purchasing Manager will only hold discussions with Proposers who have submitted a Proposal deemed reasonably suitable for award. Discussions, if held, will be after initial evaluation of Proposals by the Proposal Evaluation Committee. If modifications are made as a result of these discussions they will be put in writing. Following discussions, the Purchasing Manager may set a time for best and final Proposal submissions from those Proposers with whom discussions were held. Proposals may be reevaluated after receipt of best and final Proposal submissions.

If a Proposer does not submit a best and final Proposal or a notice of withdrawal, the Proposer's immediate previous Proposal is considered the Proposer's best and final Proposal.

Proposers with a disability needing accommodation should contact the Purchasing Manager prior to the date set for discussions so that reasonable accommodation can be made. Any oral modification of a Proposal must be reduced to writing by the Proposer.

2.07 – Prior Experience

Proposer must have at least three years' experience in performing similar services as detailed under Section 5 of this RFP. The Proposer shall provide a list of five (5) references denoting experience and accomplishments. The list of references shall include names, titles, addresses and specific telephone numbers where parties may be reached.

2.08 – Evaluation of Proposals

An Evaluation Committee is made up of selected CCSO members. The evaluation will be based solely on the evaluation factors set out in Section Seven of this RFP. The Proposal ranked highest per Section Seven of this RFP shall be the Consultant of Record (COR) Proposer to be negotiated with. A second highest ranking Consultant may also be selected as a "back-up" to the Consultant of Record should they be unavailable at time of work assignment.

After receipt of Proposals, if there is a need for any substantial clarification or material change in the RFP, an amendment will be issued. The amendment will incorporate the clarification or change, and a new date and time established for new or amended

Proposals. Evaluations may be adjusted as a result of receiving new or amended Proposals.

2.09 – Vendor Tax ID

A valid Vendor Tax ID must be submitted to the Purchasing Section with the Proposal or within five days of the CCSO's request.

2.10 – Business License and Other Required Licenses

At the time the Proposals are opened, all Proposers must be able to do business in the State of Florida and have any necessary required professional licenses required by Florida Statute. Proposers should contact the Florida Department of State, Division of Corporations, P. O. Box 6327, Tallahassee, Florida 32314, or the Florida Department of Business and Professional Regulation, Division of Professions, 1940 North Monroe Street, Tallahassee, FL 32399-0760 for information on these licenses. Proposers must submit a copy of a valid Florida business or professional license with the Proposal as well as any licenses required to do business in Clay County (prior to commencement of work).

A Proposer's failure to submit this evidence with the Proposal will cause their Proposal to be determined non-responsive.

2.11 – Formula Used to Convert Cost to Points

The distribution of points based on cost will be determined as shown in the example below. The lowest cost Proposal will receive the maximum number of points allocated to cost. The point allocations for cost on the other Proposals will be determined through the method set out below. In the generic example below, cost is weighted as 80% of the overall total score. **The weighting of cost may be different in your particular RFP.**

Formula Used to Convert Cost to Points

STEP 1. List all Proposal prices, adjusted where appropriate by the application of all applicable preferences.

Proposer #1 – \$40,000

Proposer #2 – \$42,750

Proposer #3 – \$47,500

STEP 2. Convert cost to points using this formula.

$[(\text{Price of Lowest Cost Proposal}) \times (\text{Maximum Points for Cost})] \div (\text{Applicable Proposer Price}) = \text{POINTS}$

The RFP allotted 80% (80 points), of the total 100 points, for cost.

Proposer #1 receives 80 points.

The lowest cost Proposal, in this case \$40,000, receives the maximum points allotted to cost, 80 points.

Proposer #2 receives 74.9 points.

$\$40,000 \times 80 = 3,200,000 \div \$42,750 = 74.9$

Proposer #3 receives 67.4 points.

$$\$40,000 \times 80 = 3,200,000 \div \$47,500 = 67.4$$

2.12 – Contract Negotiation

After final evaluation, the Purchasing Manager may negotiate with the Proposer of the highest-ranked Proposal. Negotiations, if held, shall be within the scope of the Request for Proposals and limited to those items that would not have an effect on the ranking of Proposals. If the highest ranked Proposer fails to provide necessary information for negotiations in a timely manner, or fails to negotiate in good faith, the CCSO may terminate negotiations and negotiate with the Proposer of the next highest-ranked Proposal. If contract negotiations are commenced, they will be held in a conference room located in the CCSO Administrative Offices in Green Cove Springs, Florida. At least two of the highest ranked Proposers shall be engaged by a “master” agreement.

The Proposer will be responsible for their travel and per diem expenses.

2.13 – Failure to Negotiate

The CCSO may terminate negotiations with the Proposer initially selected and commence negotiations with the next highest ranked Proposer if the selected Proposer

- fails to provide the information required to begin negotiations in a timely manner
- fails to negotiate in good faith; or
- indicates they cannot perform the contract within the budgeted funds available for the project; or
- the Proposer and the CCSO, after a good faith effort, simply cannot come to terms.

2.14 – Notice of Intent to Award (NIA) — Proposer Notification of Selection

The Purchasing Manager will issue a written Notice of Intent to Award (NIA) and send copies to all Proposers which identifies the highest ranked Proposer. The NIA will set out the names of all Proposers and identify the Proposal selected.

2.15 – Protest

Any actual or prospective Proposer who has a substantial interest in and is aggrieved in connection with the Solicitation, the RFP, the Notice of Intent to Award, the award or proposed award of a contract, or the failure to award a contract may submit a protest in accordance with this Section.

Any protest concerning the bid specifications or requirements must be made within seventy-two (72) hours from the time the facts become known and, in any case, at least twenty-four (24) hours prior to the bid opening. Such protest must be made in writing to the person identified under General Condition 2 of this RFP and materially comply with Section

2.15.1 (a) – (e) of this RFP. Failure to timely protest bid specifications or requirements is a waiver of the ability to protest the specifications or requirements.

A Protester must have submitted a Proposal in order to have sufficient standing to protest the proposed award of a contract. The Protestor must file a Notice of Intent to Protest with the person identified under General Condition 2 within three (3) business days from the time the facts become known and, in any case, at least three (3) business days after the Notice of Intent to Award is provided to all proposers. Thereafter, a Formal Written Protest shall be filed with the person identified under General Condition 2 of this RFP as detailed under Section 2.15.1.

2.15.1 – Formal Written Protest

The Formal Written Protest shall be submitted in writing to the person identified under General Condition 2 of this RFP within seven (7) calendar days after the submittal of a Notice of Intent to Protest. The seven (7) day period includes official holidays, Saturdays, and Sundays. If the seventh (7th) day should fall on an official holiday, Saturday or Sunday, then the period shall extend until the end of the next regular work day.

The Formal Written Protest must include:

- (a) the name, address, and telephone number of the protester;
- (b) the signature of the protester or the protester's representative;
- (c) identification of the contracting department and the Solicitation or contract at issue;
- (d) a detailed statement of the legal and factual grounds of the protest including copies of relevant documents; and
- (e) the form of relief requested.
- (f) a bid protest bond made payable to Sheriff Darryl Daniels in an amount equal to 1 percent of the CCSO's estimate of the total contract or \$10,000 whichever is less. In lieu of a bond, the CCSO may accept a cashier's check or money order in the amount of the bond.

Protests filed by telex or telegram are not acceptable because they do not contain a signature. Fax copies containing a signature are acceptable.

Any actual or prospective Proposer who has a substantial interest in and is aggrieved in connection with the Solicitation or proposed award of a contract which is in excess of the award authority of the Purchasing Manager may protest to the Senior Executive of Finance and Strategic Planning. Protests arising from the decisions and votes of Selection/Negotiation Committees shall be limited to protests based upon alleged deviation(s) from Section Seven.

2.15.2 – Protest Resolution

The Senior Executive of Finance and Strategic Planning shall have the authority to settle and resolve a protest of an aggrieved Proposer, actual or prospective, concerning the solicitation or award of a contract.

If the protest is not resolved by mutual agreement, the Senior Executive of Finance and Strategic Planning shall promptly issue a decision in writing, after consulting with the CCSO General Counsel. The decision shall:

State the reasons for the action taken and inform the protestant of his right to administrative review.

A copy of this decision shall be mailed or otherwise furnished immediately to the protestant and any other party intervening.

In the event of a timely protest under this section, the CCSO shall not proceed further with the solicitation or with the award of this contract until a written determination is made by the Senior Executive of Finance and Strategic Planning and approved by the CCSO General Counsel or a written determination is made that the award of the contract must be made without delay in order to protect the substantial interest of the CCSO.

2.15.3 – Timely Submittal of a Protest

Protests, to include the Notice of Intent to Protest and the Formal Written Protest, not timely made under this section shall be barred. Any basis or ground for a protest not set forth in the Formal Written Protest required under this section shall be deemed waived.

SECTION THREE STANDARD CONTRACT INFORMATION

3.01 – Contract Type

This contract is based on a fee schedule for authorized services or deliverables.

3.02 – Contract Approval

This RFP does not, by itself, obligate the CCSO. The CCSO's obligation will commence when the contract is approved by the Sheriff. Upon written notice to the contractor, the CCSO may set a different starting date for the contract. The CCSO will not be responsible for any work done by the contractor, even work done in good faith, if it occurs prior to the contract start date set by the CCSO.

3.03 – Standard Contract Provisions

The contractor will be required to sign a contract and comply with the contract provisions established as a result of this proposal. No alteration of these provisions will be permitted without prior written approval from the CCSO General Counsel. Objections to any of the provisions in Appendix A or this RFP must be set out in the Proposer's Proposal.

3.04 – Proposal as a Part of the Contract

Part or all of this RFP and the successful Proposal may be incorporated into the contract.

3.05 – Additional Terms and Conditions

The CCSO reserves the right to add terms and conditions during contract negotiations. These terms and conditions will be within the scope of the RFP and will not affect the Proposal evaluations.

3.06 – Insurance Requirements

The Supplier/Contractor shall maintain in effect during the time period of this contract, "Adequate Insurance Coverages" as required by federal, state and local laws, regulations and ordinances as further detailed under Attachment A of this RFP. Such coverage shall be provided by companies approved by the CCSO. Supplier/Contractor shall not commence or continue work under this contract until evidence of "Adequate Coverage" has been provided to and approved by the Purchasing Manager. In addition, in the event that Supplier/Contractor does commence or continue work during any period where "Adequate Insurance Coverage" is not in force, charges assessed to the CCSO for uninsured independent Suppliers/Contractors will be back charged to the Supplier/Contractor.

Should any of the required policies be canceled or undergo material change before the expiration date, the issuing insurance company will mail sixty (60) days written notice to: CCSO General Counsel, Clay County Sheriff's Office, 901 North Orange Avenue, Green Cove Springs, FL 32043.

3.07 – Indemnity

The Contractor covenants and agrees to indemnify and hold harmless the CCSO, and to defend it from all cost, expenses, damages, attorney's fees, injury or loss, to which the CCSO may be subjected by any person, company, corporation or organization by reason of any wrong doing, misconduct, want or need of care or skill, negligence or default or breach of Contract, guaranty or warranty, by the Contractor, his employees, his agent or assigns.

3.08 – Contract Funding

Approval or continuation of a contract resulting from this is contingent upon funding appropriations from the Clay County Board of County Commissioners.

3.09 – Proposed Payment Procedures

The CCSO will make payments based on a negotiated payment schedule.

3.10 – Contract Payment

No payment will be made until the contract is approved by the Sheriff or Undersheriff. Under no conditions will the CCSO be liable for the payment of any interest charges associated with the cost of the contract.

The CCSO is not responsible for and will not pay local, state, or federal taxes. All costs associated with the contract must be stated in U.S. currency.

In order to be considered a proper invoice, it must be based on a proper delivery of services to and acceptance by the CCSO; the vendor, contractor or other party who is supplying the services has otherwise complied with all of the contract's terms and conditions and is not in default of any of them; and if the contract requires any subcontractors or other parties to be bound by similar other "flow-down" requirements, that those requirements have been complied with.

All payments made under this Bid will be made in accordance with the Local Government Prompt Payment Act; in effect, not later than 45 days from receipt of proper invoice.

(a) Dispute Resolution

In the event a dispute occurs between a contractor, vendor or other invoicing party and the CCSO concerning payment of an invoice, the Senior Executive of Finance and Strategic Planning and the invoicing party shall meet to consider the disputed issues. The invoicing party shall provide to the CCSO such material and information as the CCSO may reasonably require. Any such procedure shall be initiated by either party notifying the other in writing of a dispute and stating with specificity its nature.

This procedure shall commence not later than forty-five (45) days, and be resolved not later than sixty (60) days, after the date on which the proper invoice was received by the CCSO. Any decision by the Senior Executive of Finance and Strategic Planning shall constitute the final decision of the CCSO regarding these matters and shall be communicated in writing to the invoicing party within three business days after such decision. If no decision is rendered within the time period as set out above, then a decision against the invoicing party shall be deemed to have been issued.

3.11 – Informal Debriefing

When the contract is completed, an informal debriefing may be performed at the discretion of the CCSO. If performed, the scope of the debriefing will be limited to the work performed by the contractor.

3.12 – Change in Company Ownership

Any change in ownership of the contractor's company must be approved, in advance and in writing by the CCSO. Changes of this nature not approved by CCSO may be grounds for the CCSO to terminate the contract.

3.13 – Inspection & Modification - Reimbursement for Unacceptable Deliverables

The contractor is responsible for the completion of all work set out in the contract. All work is subject to inspection, evaluation, and approval by the CCSO. The CCSO may employ all reasonable means to ensure that the work is progressing and being performed in compliance with the contract. Should the CCSO determine that corrections or modifications are necessary in order to accomplish its intent the CCSO may direct the contractor to make such changes. The contractor will not unreasonably withhold such changes.

Substantial failure of the contractor to perform the contract may cause the CCSO to terminate the contract. In this event, the CCSO may require the contractor to reimburse monies paid (based on the identified portion of unacceptable work received) and may seek associated damages.

3.14 – Contract Termination

The CCSO may terminate the contract at any time that the Contractor fails to carry out its provisions or to make substantial progress under the terms specified in this document.

- (a) The CCSO shall provide the Contractor with thirty (30) days notice of conditions endangering performance. (A lesser number of days may be specified and enforced if required by an outside agency.) If, after such notice the Contractor fails to remedy the condition contained in the notice, the Clay County Sheriff's Office shall issue an immediate stop work order.
- (b) Should the above condition occur, the CCSO shall only be obligated to reimburse the Contractor for services rendered prior to the date of termination, less non-performance liquidated damages.

- (c) Notwithstanding any other provision, if funds anticipated for the continued fulfillment of this contract are at any time not forthcoming through failure of the Clay County Government to appropriate funds, discontinuance or material alteration of the program under which funds were provided; the CCSO has the right to terminate the contract without penalty by giving not less than thirty (30) days written notice documenting the lack of funding.
- (d) With the mutual agreement of the CCSO and the Contractor upon receipt and acceptance of not less than sixty (60) days written notice, the contract may be terminated on an agreed date prior to the end of the contract period without penalty to either party. This clause does not restrict the CCSO's termination rights under the contract provisions.

3.15 – Contract Changes - Unanticipated Amendments

During the course of the contract, the contractor may be required to perform additional work. That work will be within the general scope of the initial contract. When additional work is required, the CCSO will provide the contractor a written description of the additional work and request the contractor to submit a company time schedule for accomplishing the additional work and a company price for the additional work. Cost and pricing data must be provided to justify the cost of such amendments.

The contractor will not commence additional work until the CCSO has secured any required CCSO approvals necessary for the amendment and issued a written contract amendment, approved by the Sheriff, the Undersheriff, or the Senior Executive of Finance and Strategic Planning.

3.16 – Contract Invalidation

If any provision of this contract is found to be invalid, such invalidation will not be construed to invalidate the entire contract.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or

If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.
